

ditions that prevented the first crop from being planted.

(5) Planting date

If a producer plants the second crop before the latest planting date established by the Corporation for the first crop, the Corporation shall not make a prevented planting payment with regard to the first crop.

(d) Exception for established double cropping practices

A producer may receive full indemnity payments on two or more crops planted for harvest in the same crop year and insured under this chapter if each of the following conditions are met:

- (1) There is an established practice of planting two or more crops for harvest in the same crop year in the area, as determined by the Corporation.
- (2) An additional coverage policy or plan of insurance is offered with respect to the agricultural commodities planted on the same acreage for harvest in the same crop year in the area.
- (3) The producer has a history of planting two or more crops for harvest in the same crop year or the applicable acreage has historically had two or more crops planted for harvest in the same crop year.
- (4) The second or more crops are customarily planted after the first crop for harvest on the same acreage in the same year in the area.

(e) Subsequent crops

Except in the case of double cropping described in subsection (d) of this section, if a producer elects to plant a crop (other than a replanted crop) subsequent to a second crop on the same acreage as the first crop and second crop for harvest in the same crop year, the producer shall not be eligible for insurance under this chapter, or noninsured crop assistance under section 7333 of this title, for the subsequent crop.
